

Newlyweds, Officers Hurt in Accidents

**Minister And Bride
Injured After Wedding;
Police In Collision**

Eleven persons, including two Venice police officers and a young local minister and his bride of five hours, were injured in an accident about 9:30 p.m. Saturday on U. S. Highway 670 a half-mile west of the Madison County line.

Rev. Olen, who was traveling south, was treated for a scalp laceration, was admitted to St. Elizabeth Hospital for x-rays and treatment of possible concussion. His bride, the former Miss Cynthia Ann Weaver, 23, of Canton, O., was treated for a neck injury and bruises to her right knee, and is staying at the parsonage, 1369 Fifth street.

They had been married in a 4 p.m. ceremony at a Northampton Memorial Methodist Church in double-ring ceremony performed by Dr. W. L. Cummins, district superintendent of the Southern Illinois Conference of Methodist Churches.

The newlyweds were traveling to the south on a highwayman when the accident occurred at the Bend road intersection.

State troopers said Rev. Olen was traveling south, while the other auto was being operated by William J. Mann, 24, of East St. Louis, who was making a left turn. Mann was charged with a right-of-way violation.

Police Officers Hurt
Venice police officers George Rhodes, 35, of 530 Slough road, and Morris Scott, 46, of 1220 Market street, were injured at 10:40 p.m. Saturday when a passenger in their police cruiser was driven unarily and caused the driver to lose control and crash into another vehicle.

The officers had answered a call from Mrs. James Humble of Weaver street when the car hit her husband was creating a disturbance. Humble was arrested at the place where the crash occurred and was being returned to the police station.

During the ride, police said Humble began to fight and jumped from the moving police car in the 1100 block of Center street. Rhodes, who was driving, tried to grab him and lost control. The police car struck a parked auto owned by Edwin Smith, 100 Douglas street.

Both officers were injured. Rhodes had injuries to the left arm and shoulder and right leg, and Scott received abrasions on the left leg and knee. An estimated \$300 damage was done to the police car, while no damage was available on damage to the other auto.

Humble is being sought by police on warrants charging resisting arrest, disturbing the peace and two counts of property damage.

Queen Hopefuls, 'Kangaroo' Court In GC Wednesday

An estimated 300 candidates for the Sesquicentennial Queen title will meet the press and public Wednesday night at the local YMCA.

Federal, state, county and city officials have been invited to the event which begins at 8 p.m., hosted by the Granite City Jaycees in cooperation with the Associated Retailers and Credit Bureau. Light snacks will be served.

Penalty To Be Served
Mrs. Anita Klusant, formerly of Granite City but now of Troy, chairman of the Queen committee of the Sesquicentennial association.

The "Kangaroo Court of the Brush" will hold its first session preceding the meeting. The Jaycees are sponsoring the court to raise funds for the Madison County Historical Society.

Starting at 6:30 p.m. Wednesday, shaving permits will be offered for sale. The permits are good throughout the Sesquicentennial observance. Persons with out permits who fail to grow beards will be "fined" or sent to jail at the discretion of the judges. The "jail" will be a corral on a flat trailer.

Other Kangaroo Court sessions will be held in Madison, Venice and the Belleville Village shopping center at later dates.

Donald Kopp of the Jaycees is in charge of staging the Kangaroo Court. His "Brothers of the Brush" organization is encouraging the growing of beards throughout the county in observance of the Madison county's 150th anniversary. A proclamation has been prepared for the Granite City, Madison and Venice, giving the Kangaroo Court jurisdiction in the Quad-Cities.

Joseph Bucatch, 55, of 215 East 13th street, was found dead at his home at 11:30 p.m. Sunday by Police Officers Everett Kelly and Sam Avallone. They had been summoned to a call at 2105 East 13th street by a neighbor who noticed a burning in the basement.

The cause of death was determined to be a heart attack after a post-mortem examination. The death occurred after a long illness.

New Bldg. Increases GC Tax Valuations

**No General Changes;
New Local Total Up
\$2,691,000 For 1962**

New construction in the past year resulted in most of the \$2,691,000 increase in property values set for Granite City by Assessor Von Dee Cruse. No general increase was made.

The new locally-fixed total of \$151,901,670, which does not include railroad assessments set by the state, is subject to revision by the county board of review. Last year's final assessment for Granite City was \$151,024,002, which included \$1,811,502 for railroads.

Publication of the full listing of 1962 personal property valuations for Granite City is to be scheduled within the next few weeks by the county treasurer's office. Also to be published are changes in assessments of real estate.

Time To File Objections
Following publication of the assessment listing, Granite City residents will have time to file objections with the county board of review and request hearings. The review board expects to visit this area after Sept. 1 to hear objections, but the dates for the hearings have not been set. The new 1962 assessment figures for Venice and Namekott township, already have been published and a Sept. 1 date has been set for filing objections.

The biggest jump in Granite City's valuation was for real estate property classified on the tax assessment books as lots. The 1961 total, on which this year's revision is based, amounted to \$76,823,090, while the new figure to be used for next year's tax collection is \$78,481,800, up \$1,658,710.

The increase was due to expansion of subdivisions with new construction of new homes and one new industry, the ICC Cola plant, which will be on the tax books for the first time.

Other Valuations
Personal property values show an increase of \$894,090 for 1962. The system of three interceptors for sewers set forth in the program would cost \$1,400,000 to build. However, through their own construction, the price could be cut by \$170,000.

ICC To Conduct Water Rate Hike Hearings In Area

Hearings before the Illinois Commerce Commission on the proposed water rate increase requests by the Eastern Illinois & Interurban Water Co. will be moved from Springfield to Belleville on Wednesday and Thursday.

ICC Examiner Martin J. Doherty, who is presiding over the hearings, has invited all interested persons to attend. Hearings will be conducted at 10 a.m. each day.

The hearings began at Springfield last week when the water company requested a new rate schedule which would increase rates an average of 47%. The company contends that current revenue does not provide a fair rate of return on its investments.

On July 17, the company filed a petition with the ICC asking for the new rates. The new petition reduced its rate increase request to 33%.

The low level area includes the Quad-Cities, East St. Louis and surrounding areas, while the high level area includes Belleville, Cahokia, Scott Air Force Base and surrounding areas.

Asked Termination
Attorney Randall Robertson, representing the Large Water Users group, and other objectors protested that the new request by the water company constituted an entirely new case and asked that current hearings be terminated. The ICC overruled the protest.

The Springfield hearings this far have been concerned primarily with the technical aspects of the requested increase. Testimony has been limited to that of company officials and representatives and legal and financial experts.

Levee District Will Near Debt Limit With Bond Sale

Granite City apparently will get no financial assistance from the East Side Levee & Sanitary District this year toward the solution of drainage and pollution problems which plague this community.

The levee district will approach the limit of its bonding power with the sale of \$1,700,000 in improvement and construction bonds for which bonds were issued earlier, Kraemer said.

Included is a storm water relief sewer in Madison and Venice, where work has been completed. The proposed bond issue provides for an additional \$10,000 to cover final cost payments.

Two New Bonds Planned
The new bonds would be in two separate issues, one for \$1,380,000 to finance construction of trunk sewer lines in Centreville township in connection with the levee district's overall pollution abatement plan in the Cahokia treatment plant area.

The other issue for \$320,000 would cover costs on five projects in the area.

Onan, 32, Found Hanging In Shed
An inquest will be held into the death of Onan, 32, whose body was found early Saturday morning in a shed at the rear of 2602 Cayuga street, the home of his late mother. The apparent cause of death was by hanging.

He resided at 2219 Edison avenue. His mother, the late Mrs. Lorene Allen, died July 25.

Eddie Lawwell, 2600 Cayuga street, told police he noticed Onan "acting in a strange manner" about 6 a.m. Later he went to the shed and found Onan hanging from a beam.

Surviving are his wife, Ruby, a brother, James Moore, of Granite City, and two sisters, Mrs. Bruce (Pearline) Brishin of St. Louis, and Mrs. Donald (Anabelle) Adams of Granite City.

Funeral arrangements are given in today's obituary column. The inquest will be scheduled by Deputy Coroner Henry Pieper.

Depot Soldier Killed Near Effingham Today

A Granite City Army Depot soldier, Charles Morgan, 29, was fatally injured about 4 a.m. today when the auto he was driving was involved in a crash with a tractor-trailer truck about 1 1/2 miles west of Effingham, on U. S. Highway 40.

Authorities at the depot said Morgan apparently was returning here to report for duty this morning. He was a native of Effingham, and served as a clerk in the troop operations office at the depot.

State police at the Effingham district identified the driver of the truck as Jack T. Barksdale of Kinmundy. He was not injured, they said. Morgan was alone at the time of the accident, which occurred when he was apparently overtook off the road and back onto the path of the truck, striking the vehicle's rear wheels.

Ensemble Concerts And Rehearsals Delight Mexicans
(Special to Press-Record from Mexico City, Aug. 5)

The musical performance last week by the Latin-American ensemble from Coolidge junior high school was greeted with lengthy applause from 300 members of a Mexico City Lions Club. The Granite City students received repeated "bravo" which is a Mexican expression of enthusiasm and appreciation.

The Mexican audience in the ensemble's two-week tour also are praising the director, Robert D. Todoroff.

Alfonso Alzate, director of art education for Granite City, in a dispatch received today from the Mexican capital, told the ensemble that the performances are being covered by papers in Mexico. Reports of the performances are being circulated nationally in the United States.

Five-Course Dinner
Following the ensemble's performance Friday the group and chaperones were treated to a five-course dinner. Alzate said. Films of the last two concerts are to be shown in newreals at Mexico City theaters.

Ensemble members were guests of the Lions Club Saturday at a "lucky party." The party was described as a high celebration for the student musicians gathered with Mexican teachers and representatives of the neighboring countries exchanging ideas and opinions in their discussions.

One of the finer moments for the residents near the Hotel Monte Casino where the group is staying is said to be in the morning when the ensemble rehearses on the hotel roof. The ensemble will hold three such rehearsals in the first four days. The Mexican residents have told.

half hour during the storm. Power was cut off for one hour and 56 minutes at the Union Star & Refining Co. and the East St. Louis & Interurban Water Co. plant in Granite City. Power was also interrupted at the Royal Crown Cola plant, Nesco Steel Barrel, and American Steel Foundries, but the plants were not working at the time.

The Illinois Power Co. attributed the power disruptions to lightning striking transmission lines. The major break was said to have occurred in a cable near the A. O. Smith Corp. plant on U.S. Highway 67 which was cut by a bolt of lightning.

The Southwestern Bell Telephone office in Granite City reported that interruptions of service were minor. Twenty telephones were out of service, the company said, until damage was repaired.

The Granite City fire department reported firemen were called to two residences. A live wire was blown down at a shed at 2131 Lee avenue and was showering sparks until firemen arrived and cut the electricity. Lightning caused a short circuit in a clothes dryer at the home of Joe Summers, 2225 Dale avenue, and firemen were called to disconnect the appliance. There were no injuries.

Small Twister Sighted

A small twister caused minor damage at Wm. Baggett's service station, Route 111 and U.S. By-pass 66 and 40. The twister swept through the driveway of the station.

Baggett said attendants and customers ran for shelter inside the building as the miniature twister picked up steel swing-type signs and blew a 12x12 foot steel tire rack over against a trailer. There was no other damage as the twister proceeded southeast across the fields.

There were reports of three limbs blown down in the Quad-Cities. The telephone company said damage to lines was caused by falling tree limbs.

An estimated \$700 damage was caused at the Sunset Hills Country Club near Edwardsville when the storm blew down tents and ripped off awnings set out for a Southwest Illinois Swim Meet. Much of the damage was in food and equipment ruined in a concessions tent. The swim meet was in session when the storm struck. It was resumed later.

The wind also blew down several walls going up at the new Holiday Inn atop Sunset Hill.

They inquire daily when there will be another rehearsal. Allassi said the Mexican citizens are showered by "a message of good will in a language understood by all who hear and all who pass by."

Allassi said a Mexican citizen who is a friend of Director Todd asked if the students are from a private boarding school because of their excellent manners and discipline. He was surprised to learn the students are from public school and have received no special tutoring.

The student ensemble is scheduled for further concerts which will be announced.

Chevalier Award Will Go To Two DeMolays

The degree of Chevalier, second highest award in the Order of DeMolay, will be presented to Eidon Poole Jr., past master counselor, during a public investiture to be held at 8:30 p.m. Tuesday at the Masonic Temple.

The degree will be conferred by the Granite City Court of DeMolays. The officers are: William Marcus, grand commander in the East; Ray Henry, commander in the West; Robert Holton, commander in the South; Charles Slattery, grand marshal; George Meyers, grand chaplain.

The award has been made to 65 local DeMolays for outstanding proficiency and achievement within the organization.

Prior to the ceremony, a regular DeMolay meeting will be held at 7 p.m. during which five voting delegates will be elected to represent the chapter at the state convocation to be held at Illinois Wesleyan University in Bloomington on Aug. 17 and 18.

Following the evening's program, the annual "watermelon feed" will be given by the Mothers' Circle.

New Bldg. Increases

(Continued from Page 1)

\$55,989,750 while this year's figure, still subject to change, is \$60,663,840. Lands this year total \$12,738,250, up \$138,590. Local assessments of railroad property totals \$17,780.

The local assessor's valuations on local property were increased upward by the board of review last year. The board of review increased Cruse's valuation of \$147,493,000 to \$148,158,000 with most of the boosts in personal property values.

Cruse told the Press-Record the changes in assessments this year resulted in the real estate field from new construction or additions to homes and industries. Only the changes in real estate values will be published, since those property values are set every four years. The reassessment of real estate was scheduled this year but was postponed until 1963 through a legislative act designed to give newly-elected assessors a year's experience before tackling the major job.

Changes in personal property values are the result of the new construction, and Cruse pointed out anyone buying a new automobile in the past year also will note an assessment change.

Colleen Gray, four, whose left foot was x-rayed and bandaged after she caught it in a bicycle wheel. She is a daughter of Mr. and Mrs. Thomas Gray, 2231 Grand avenue.

Top Safety Award Goes To District Engineers

The U. S. Army Engineer District, St. Louis, has attained one of the highest records of safety for any District in the U. S. Army Corps of Engineers. This record includes government and contractor employees and involves both property damage and personal injury.

Col. Alfred J. D'Arco, district engineer, announced that the Lower Mississippi Valley Division safety plaque was presented to Joseph J. Pollaro, chief of the safety branch, who received it on behalf of the St. Louis District. This presentation was made by Major General Ellsworth Dugan, senior engineer of the Lower Mississippi Valley Division, at the conclusion of his three-day inspection tour of the district.

The award ceremonies marked the third consecutive year, and the fifth time in six years, that this District has been recognized as a leader in safety.

Careless Driving Charged

Charles Trubing, 61, of 1600 N. Grand, lived with his wife with careless driving Sunday. His auto was involved in an accident at 12-20 S. Sunday in Madison avenue and 18th street. Police said he was driving south on Madison and struck a parked auto owned by Hundley Pontac.

a two-car collision at the intersection of U.S. By-pass 66-40 and Highway 111.

State police said Mrs. Tony Morse, 21, of 3165 Aubrey avenue, was driving east on Route 66 and while making a left turn onto Highway 111 was involved in the collision with a westbound auto driven by Harry B. Chlebowicz, 38, of Florissant, Mo. Mrs. Morse was treated at St. Elizabeth Hospital for lacerations to the knees and the right elbow. Phillip Lee Morse, 3, was examined and released.

Mrs. Dorothy DeBolt, 33, also of 2285 Aubrey avenue, a passenger in the auto, was admitted to the hospital suffering from facial lacerations and injuries to the right leg and chest.

Four Hurt In Two Crashes

Two men, including a Venice resident, were injured early Sunday morning when the auto in which they were riding left the roadway at the junction of U. S. By-pass 40 and Route 157. Treatments were given at St. Elizabeth Hospital.

Also treated at St. Elizabeth Hospital Saturday evening for minor injuries suffered in a traffic accident were David Vincent, 23, of Troy, and his wife, Charlotte. Details of the accident were not available at state police headquarters.

Levee District

(Continued from Page 1)

ects, including the Madison-Venice trunk line.

Largest portion of this issue, \$225,000 would go for what Kramer called a "continuing project," the further improvement of front and flank levees along the Mississippi River as part of an agreement with the U. S. District Corps of Engineers.

A sum of \$10,000 is provided for the completion of an extension to a storm water sewer on Miracle avenue in Nameok township.

The two remaining projects included in the \$318,000 bond issue have not been constructed. A storm water trunk line in Alorton will cost and estimated \$15,000, and the levee district will pay one-half of the replacement costs for a bridge over Harding ditch on Forest blvd. about \$45,300. The state will pay one-half of the cost, and St. Clair county the remaining one-fourth under an agreement.

Renew On Promise

Over a year ago Granite City verbally promised \$1,328,000 in uncommitted funds from levee bond sales, plus an additional \$840,000 from bonds to be paid off in the interim, to help pay for storm water drainage and pollution problems here. This later was scaled down to \$132 million in conference between the end of the year, also in accordance with the water board order, Kramer added.

Kramer said the \$1,328,000 is to be committed instead to the Centerville project, since the city has been ordered by the Illinois Sanitary Water Board to begin construction of the project by July 1, 1963. Necessary ordinances and financing arrangements are to be completed by the end of the year, also in accordance with the water board order, Kramer added.

It's getting so a thief can't make a living.

Mrs. Irene Gushlett told police Saturday morning the Gushlett Distributing Co. in Madison had been broken into sometime during the night. Entry was gained by cutting a 15x2 foot hole in the roof and swinging down to a truck below.

From there, police said, the burglars apparently fell over a bucket of grease, overturned a company safe and hammered and bent the door off it, then tried to open a coin-operated vending machine.

The safe was empty, and they failed to open the machine.

Mrs. Gushlett said the safe had been purchased only two days before and had never been used. In fact, no one at the firm as yet had the combination.

Police said the whole job was amateurish--but then so was the theft.

Pay Rates Up For Four Local Building Crafts

New pay scales which became effective last week in the Quad-City area for building crafts were announced Friday by the Southern Illinois Builders Association.

Carpenters' new hourly wage rate is \$4.45. They received a 25-cent pay boost with an added 10 cents to be paid into a welfare fund.

The cement finishers wage rate was increased 10 cents to \$4.75 hourly. Ironworkers now receive \$4.50 per hour with a 25-cent pay increase. Laborers pay scale is \$3.70 per hour, up 10 cents.

In a new contract clause for operating engineers, 25 cents is to be deducted from their wages and paid into a health and welfare fund of the union. The engineers received no increase in earnings ranging from \$3.67 to \$4.37 1/2 hourly.

Venice Council Approves Five Building Permits

Five building permits were approved by the Venice council Friday night, with planned construction projects to cost an estimated \$2650.

Permits approved were as follows:

Mikolazich, one-room addition at 1224 Douglas street, \$1000; Jesse Genterman, one-room addition at 1316 Ration street, \$450; Frank Raliff, one-room additions at 418, 420 and 422 Mercedia street, \$230 each; J. C. Bush, one-room addition at 618 Mercedia street, \$350; a and Charles A. Westbrook, a garage at 1400 West street, \$200.

CAMPING TRIP IN MISSOURI

Mrs. Louise Lewis and son, George, and daughter, Debbie, of 4201 Rose avenue and Mrs. Inez Gould and daughters, Mitzie and Suzie, of New Orleans, La., spent the last week camping at the Lewis Farm in Poplar Bluff, Mo. They visited Mrs. Lewis' sister, Mrs. Robert Holmes of Peach Orchard, Mo.

Mrs. Gould and daughters have been visiting Mr. and Mrs. Wm. Lewis and family the past three weeks. She is a sister of Mr. Lewis.

Mr. and Mrs. Claude Stiggs and sons, Leon and Dennis and Stanley Dean of Belvoir, Mo., Miss Lois Jarrett of Eldon, Mo., and Mrs. George Stiggs and daughters, Darla Renee and Crystal Marie, of East 24th street spent Sunday at Gillespie Lake.

BIRTHDAY PARTY

Randy Pyles son of Mr. and Mrs. Delbert Pyles, 1207 Edwardsville road, celebrated his fifth birthday at a party Saturday afternoon, given by his mother, Mrs. Ruby Pyles and his sister, Mrs. Barbara Elledge.

Games were played and several prizes awarded.

Each child wore a birthday hat and each received a gift. Refreshments were served.

Present were, Ronnie McKee, Marty Kahn, Steve and Billy Rippy, Ray and Given Stratton, Dennis, Peggy Sue and Ricky Grimm, Cindy Myatt, Darla and Crystal Stiggs, Tonya Sue Hart, Scott Bone, David Uherek, Delbert Pyles Jr., Mark and Cheryl Schofield, Ralph Baur, Mr. and Mrs. George Stiggs, Mr. and Mrs. Richard Kahn, Mrs. Veda McClelland, Mrs. Linda Bone, Mrs. Mary Grimm, both of his grandmothers, Mrs. Floeise York and Mrs. Leona Pyles, and great-grandmother, Mrs. Lula Flinn.

Mr. and Mrs. Ray Flinn of Chicago visited Sunday with the former's mother, Mrs. Lula Flinn, and a sister, Mrs. Floeise York, of 1209 Edwardsville road.

THE GREAT OUTDOORS was enjoyed Sunday morning by Daybreak Optimist Club members who had breakfast at Wilson Park served by scouts of Troop 15. Scout Craig Haynes (left) has plenty of help as he fries an egg for Optimist Ralph Schmid. Left to right are Haynes, Ricky McIlvay, Schmid, Stanley Redell and Casey McGee.

Double-Treat Program For Daybreak Optimists

A double treat--breakfast out of doors and tumbling--rebound mat demonstrations--were features of Saturday's 7 a.m. meeting at the Daybreak Optimist Club. The members gathered at Wilson Park rather than at the YMCA.

Breakfast, which consisted of eggs prepared to order and bacon, was cooked by Boy Scouts of Eagles Lodge Troop 15. The cooks were Craig and Don Haynes, Robert Edwards, Ricky McIlvay, Stanley Redell, and Casey McGee.

The scouts and "Scoutmaster" Charles Redell arrived at the park about 6:30 to set up stoves and prepare for the arrival of the Optimists.

Following breakfast, the members crossed the park to witness the tumbling and rebound mat demonstrations staged by 40 youngsters, ages five to 15 years, of the Granite City park district class conducted by Pete Robinson, assistant to the park recreation director.

Robert Moske, club president, said the members were impressed with the abilities of the youngsters. The group is to perform during the park district Labor Day festival.

Among other business that will be conducted are reports by chairmen of the standing committees.

They include reports on sewage and drainage by G. W. Hoelcher, industrial development by C. E. Townsend, planning and zoning by E. G. Schmitt, agriculture by Howard W. Kaseberg, programs by N. E. Brink, and membership and membership relations by Chester L. Baker.

There also will be a report on congressional action. The speaker was not announced.

GC Tax Payments

Total \$5,203,642

Granite Cityans paid an additional \$56,484 in taxes to Calumet Park on Thursday, \$14,658 on Friday and \$17,814 on Saturday.

Sappington said he will continue to collect taxes locally until Aug. 15 and is sending notices to those who have not yet paid their 1961 taxes.

Boy Scout's Nose Broken In Swimming Accident

Larry Hacke, 11, son of Mr. and Mrs. Fred Hacke, 2516 Benton street, is recovering at home from a broken nose. He was released from the hospital at Farmington, Mo., Friday afternoon.

Larry was accidentally kicked in the face last week while swimming with a group of Boy Scouts at Camp Sunken, Potosi, Mo. He was one of 27 boys from the Niedringhaus school Troop-12 on a one-week Scout encampment. He underwent nasal surgery Wednesday.

Friday he returned to Granite City with his mother and grandmother, Mrs. Charles Forester of DeSoto, who is visiting the family here.

Sent To County Jail

Donald Presley, 37, of 2099 Rock road, was sent to county jail Saturday for 41 days for failure to pay a \$200 fine. He was arrested in Granite City Friday on drunk and disorderly conduct charges. He pleaded guilty to both and Police Magistrate Gasparovic fined him \$300 on the drunk charge and \$150 on the disorderly count.

Court Date Postponed

William Thoele, 32, of Rural Route One, is scheduled to appear in magistrate court next Saturday after being arrested last Friday afternoon at Johnson and Nameoki roads in interfering with a police officer. He posted \$15 cash bail. His case was postponed Saturday for a week by Police Magistrate Gasparovic.

Park, Alt-Wood Meet Tonight in ASA Softball Final

GC Win Would Force Second Playoff Game; Both Teams To State Tourney

The Granite City park district, which dropped to the losers' bracket after its first game in the Illinois ASA regional Class A softball tournament at Wood River last week, rebounded to win three straight games in the double elimination tourney, and will play for the regional title tonight.

The park club will meet the team which knocked it out of the winners' bracket last Thursday night, the Alt-Wood Merchants, at Jaycee field at 8 p.m.

Alt-Wood has advanced through the tourney to the finals with decisions over Spangler Insurance of Granite City, the park club, and the Yandulla Merchants, who were 4-0 victims of the Merchants last night.

Clashes still remaining in the tourney were scheduled to get a rest last night, but rain Saturday had forced the schedule to be set back 24 hours.

Regardless of tonight's outcome, both Alt-Wood and the park will travel on to the ASA state meet, also at Jaycee field Aug. 15-20. If Alt-Wood can take the 8 p.m. contest, the tourney will end. If the park wins, a second game will be necessary to determine the regional champion, an important factor in the bracket placements for the state tourney.

Manager Conrad "Babe" Champion said this morning he will probably start Ray Rupp against the Merchants, who will likely counter with Bob Garner, who beat GC in its first tourney appearance.

Spangler Insurance lost out in the tourney last night when beaten by the park nine 3-2. Spangler's second loss in the tourney, the Insuranceemen, after bowing to Alt-Wood in the first game last Wednesday, had triped Caseyville 6-2, behind the hurling of Evans Mank on Friday night.

In the same losers' bracket the same evening, the park club whipped the Alt-Wood Merchants 4-2, scoring all four of its runs in the fourth to give Huff the pitching victory.

Spangler took a 2-1 lead over the Park District into the seventh inning of last night's game, but Ron Dillard's two-out single with Bob Stegemeyer and Mary Brokaw at second and third pushed across the tying and winning runs. Both runners had hit safely and moved up on Huff's long sacrifice fly.

Huff had relieved starter Carroll Gilson in the fourth, but Spangler countered both its runs on a double by Norm Hessler and singles by Jack Scarborough and Bill Crabtree.

Losing pitcher Leo Six gave up the park's first run in the fourth when Art Borchers doubled and came home on two wild pitches.

Vaslatin, dropped into the losers' bracket finals by Alt-Wood in Sunday's first game, ran into Norm Grote's first, best last night. Grote allowed only two hits, and his opponent Norm Endrebock, proved just as tough.

The game's only run came in the fifth when Norm Jenkins followed with a sacrifice fly, Jenkins took third, where-the-taken bounced away, allowing him to score.

NEW MASSEUR AT YMCA is P. J. Lewis, whose appointment to the position at the YMCA health club was announced today by Robert Dant, YMCA physical director. For the past 15 years Lewis has been a masseur at a Hot Springs, Ark., bath house. The YMCA club is open from 10 a.m. to 9 p.m. Monday through Friday and from 9 a.m. to 7 p.m. on Saturday.

Spengler, MBC Take Classic Loop Contests

Spangler Insurance took time out from the ASA regional softball tournament in Wood River to play the classic league here Thursday night with a 7-2 win over the Merchants.

In the second game, Madison Bowling Club pushed across a run in the first inning without benefit of a hit to edge Moose Club, 2-1, and climb out of the league cellar.

Leo Six tossed three-hit shutout for the Merchants, who took six innings while his team-mates built up a 7-0 lead. An error, Bob Rains' single and Jim Rupp's third hit cost Six his shutout in the top of the seventh, but Spengler's lead was never in jeopardy.

The league leaders had three-run innings. They batted around in the third, with Don Westbrook double and a three-bagger by Dick Portell getting a pair of runs across. Two walks, a single by Portell and a sacrifice by Scarborough's double were responsible for three more tallies off loser Kenny Mitchell in the fourth.

Mitchell gave eight hits, while Six tossed a five-hitter and fanned eight.

Pitcher Bill Favier allowed Madison Bowling Club just two hits in the nightcap, but a lapse of control cost him and Moose Club the contest in extra innings.

The two teams entered the eighth in a 1-1 tie, and winner Jerry Volodich worked out of trouble after giving up a two-out triple of Carl Linhart.

Favier walked leadoff batter Ray Landis to open the bottom of the eighth. Landis plaved second and, with one out, Favier uncorked two wild pitches which allowed the winning run to score.

Frank Lau's sixth inning single, two walks and a wild pitch had enabled MBC to tie the game after Moose scored the first run of the contest when Linhart hit a solo homer in the fourth.

Rome & Roy's gets an opportunity tomorrow night to tie Spengler again for first place when it plays Moose Club after Madison Bowling Club and Buoy Bee Truck Stop meet at 7 p.m.

The Classic league standings: Team W L Pct. Spangler Insurance 9 2 .818. Rome & Roy's 8 2 .800. GCS Credit Union 7 3 .700. Granite 4 7 .364. Moose Club 272 4 7 .364. Madison Bowling 8 8 .273. Buoy Bee 2 8 .200.

Venice Girls Split, But Clinch Fourth

The Venice Girls clinched fourth place in the Girls' Twilight Softball league at Lee Park Thursday night by downing Alorton 10-2, but again found first place Alorton tough on Friday evening, dropping a 5-3 decision to the Lakers in Alorton.

Top Meyer's club whacked out 12 hits, including triples by Judi Karro, Angie Unger, Rosemary Archangel and Mary Alice Kelly, to back up Joan Masengr's three-hitter Thursday.

Joan Turplano gave up two runs in the first and three more in the third Friday night at Alorton. The Lakers' Bev Conway shut out Venice until the fifth, when Judi Karro hit two-run homer. Venice added one more marker in the sixth.

Venice, with a 12-9 tonight record, has league games with Valmeyer on Thursday and Aug. 17, against Maryville on Aug. 16. The league playoffs, involving the top four teams, are scheduled to begin on Aug. 22.

Morris Rat-Racing Champ At Kokomo

Paul Morris of the Granite City Grinders placed first in the rat-racing division at the Midwestern States model airplane championships held yesterday at Kokomo, Ind., under the sponsorship of the Kokomo Jaycees and the Chrysler Corp. Morris was awarded a 24-inch trophy.

Other members of the local club attending were Ron Thurman, Jim Richee, John Asberast and Danny Lewis.

Park Softball Club Adds Double-Headers

The Granite City park district Class A softball club has scheduled three additional double-headers with area teams this summer, manager Conrad Champion said today.

The Park club will play a win-ball with DeWille Motors of St. Louis in Manchester, Mo., Wednesday, beginning at 7:30 p.m. double-header against Chesterfield, Mo., is scheduled here Saturday, and a Belleville team will furnish the opposition in two games at Wilson Park door theatre at 27th street and 6th at 7:30 p.m. also.

Mercer Accepts Gift From Glassmen; Hearts Drop Two Here To Pocahontas Braves

They were all unearned, but when they loaded the bases with the runs Mercer Funeral Home scored three in the seventh, when they put two aboard. But Griffith used the strikeout—he had a total of 10—to get out of the jams.

Mercer strengthened its hold on second place in the Blue division by whipping the Glassmen for the second time in three games this season, 8-3. But Mercer did not win any ground on first place Moose Club of East St. Louis, which mauled Collinsville's Boosters 21-4 Saturday night under the lights at Fletcher field.

It was another story for Granite City's Sacred Hearts, who fell to third place in the Red division race by dropping both ends of a Wilson Park Sunday double-header to Pocahontas, 8-0 and 5-4.

The double loss cost the Hearts second place, as Maryville moved up to claim the spot after defeating Troy 5-4. Chatterbox blanked Roxana 3-0 in Sunday's other contest.

Mercer manufactured five runs on only two hits in the second inning against the Glassmen. Three walks and two Mercer errors, coupled with a single by Bob Stegemeyer and Harold Tankley's double did the damage.

Two more Mercer miscues got another run home in the fourth, and a second base error allowed the run to score in the seventh following singles by Howard Ehterton and Rich Branson.

5-Hitter By Papp
Charlie Papp went the distance for Mercer, and hitting in the first five innings. George Teasley started for the Glassmen, and gave way to Toddy Gailus in the second. Papp allowed only five hits.

Lonnie Griffith scattered eight hits and worked out of trouble twice as he shut out Glassmen in the first game at Wilson Park. The Hearts threatened seriously twice, once in the sixth.

Polish Hall Wins Tavern Title; Playoff Round Begins

Polish Hall captured first place in the Sunday morning Tavern slow-pitch softball league yesterday by downing Sportsman Club in a special playoff contest, 8-4, then went on to win its first round bout in the league's regular post-season eliminations.

Identical 12-2 records at the end of the season made the playoff contest necessary yesterday. An identical situation had been resolved Sunday, with Bowland winning the playoff contest 6-5.

Polish Hall scored runs in pairs in the first, second and third frames against Sportsman's, beating George "Vivod" Stan Serwaska was the winner. Frank Spohr had three hits for Polish Hall, with Serwaska, Duke Friend and Bernie Denison each contributing two safe blows. Chet Miller, Jerry Dusek and Ed Schmidt each had two hits for Sportsman's.

Gus Lignoul homered, Harold Portell went three-for-three and Don Crabtree collected a pair of doubles for victorious Bowland as Paul Thompson beat Club Delmar and pitcher Lenny Fuchs. Jim Ray had a homer for the losers and Frank Scarredale added three hits.

Blues Are Out
In the regular playoff games which followed, Polish Hall nudged Home of the Blues 5-3, with Serwaska again the winning pitcher, although he served up home run balls to Jim Lockhart and Jerry Teague.

Sportsman's George Vivod tossed a three-hit shutout at Junction Tavern in another playoff, 9-0, with the Bauer, Ed Schmidt and Jerry Dusek all hitting doubles for the winners. Leo Mikol was two-thirds of the way to the winning run in the eighth. He walked the lead-off batter and with one out, wild pitched the runner to second. McGinnis singled, but the run was cut down at the plate. Dave Fabel followed with an ace, and Wade then uncorked another wild pitch which sent McKinney home with the deciding run.

In the regular playoff games which followed, Polish Hall nudged Home of the Blues 5-3, with Serwaska again the winning pitcher, although he served up home run balls to Jim Lockhart and Jerry Teague.

Sportsman's George Vivod tossed a three-hit shutout at Junction Tavern in another playoff, 9-0, with the Bauer, Ed Schmidt and Jerry Dusek all hitting doubles for the winners. Leo Mikol was two-thirds of the way to the winning run in the eighth. He walked the lead-off batter and with one out, wild pitched the runner to second. McGinnis singled, but the run was cut down at the plate. Dave Fabel followed with an ace, and Wade then uncorked another wild pitch which sent McKinney home with the deciding run.

MEXICAN OFFICIALS have played an important part in the visit of the Coolidge junior high school Latin American Ensemble to their country. Shown here are, seated from the left—Senora Amalia de Castillo Ledon, under secretary of education for cultural affairs; Eugene L. Aulisi, who is serving as public relations representative for the ensemble; Senorita Consuelo Martinez Elizondo, instructor of cultural arts of the Instituto Norte Americano; and Oscar Varela Ainsle, private secretary of education for Senora Castillo Ledon. Standing at the rear is David Todoroff, brother of ensemble director Robert Todoroff.

LONG BUS RIDE to Mexico did not prove too difficult for the students and their chaperones, possibly because of the exciting circuit of performances and events which lay in store for them upon arrival.

12 Local Taverns Cited For Gaming Stamps

The Illinois Liquor Control Commission has ordered 12 Quincy area taverns and clubs to appear in Springfield this afternoon and tomorrow morning for alleged violations of the commission's rule which prohibits the possession of a \$250 federal gaming stamp by a liquor licensee. Two other tavern owners from Alton also were ordered to appear.

Scheduled to appear today are Mary Boner, Mary's tavern, 4112 Pontoon road; Maurice Barner, Doc's Downtown Liquors, 1419 East 20th street; Tri-City American Legion Post 113, 2333 Madison avenue; Stella Billen, Billen's tavern, 1881 Third street, East Madison; and Paul Rogan and Julia Geelan, Greenwood tavern, 1013 Greenwood street, Madison.

Scheduled for Tuesday are Joseph Goodrich, Goodrich tavern, 400 Broadway, Venice; Venice-Madison American Legion

Post 307, 740 Broadway, Venice; Irene and William Dallas, Omaha Inn, 1810 Omaha street, Granite City; Margaret Lewis, Ed and Narg's tavern, 3000 Hildebrand avenue, Cloverleaf Addition; James L. Marcus, Junction tavern, 324 Broadway, Venice; Paul Summers and David Murphy, Club Delmar, 1832 Delmar avenue, and VFW Post 1300 at 2044 Washington avenue.

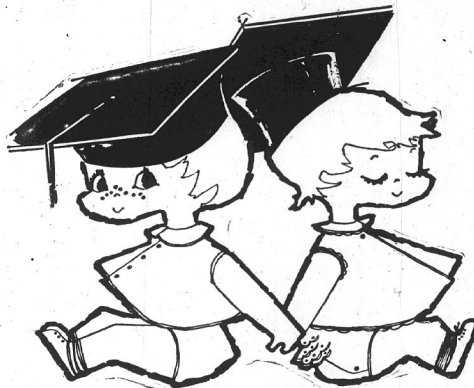

Many tavern owners purchase federal gaming stamps to avoid federal prosecution for operating such devices as pinball machines.

St. Peter Guild Plans Fall Events

"Commitment to Christian Service" was the devotional theme at the August meeting of the St. Peter Guild of St. Peter United Church of Christ Thursday at the church, 21st street and Cleveland Blvd. Mrs. Juanita Felt, stewardship chairman, and Mrs. Johanna Lampe, Christian service chairman, were in charge, assisted by Mrs. Kathleen Baumann and Mrs. Eudora Barke with Mrs. Florence Hadaller at the piano.

The business session was conducted by Mrs. Lillian Bauney, president, and Mrs. Lampe announced the collection of 150 pounds of clothing by her committee for World Service. Also discussed were meditation days, Sept. 8-9 at Eden Seminary and the annual rummage sale to take place Oct. 19 at the IOOF hall. Mrs. Esther Bauney announced a cancer dress to be made Sept. 13. The latter project will close the meeting with a social hour on the second and third Thursdays of each month at 9 a.m. each Thursday to quilt.

Mrs. Ralph Monken, Christian Education chairman, attended the National Conference on Christian Education to be held at Purdue University in Indiana Aug. 21-24.

Mrs. Brink Is Hostess For Club

The Tri-City Greeters Club held its meeting Friday evening in the home of Mrs. Nicholas Brink, 15 Midland court, and elected officers for the coming year.

Mrs. Brink was named president to fill the unexpected term of Mrs. Robert Moser. Mrs. Virginia Craft is vice-president. Mrs. Beverly Justice and Mrs. Ruth Tenkoff will serve as secretary and treasurer, respectively.

Plans were also made by the group for a fall project, a card party Oct. 6 at the Big Top Bowl.

Past Noble Grand Club Meets

The Past Noble Grand Club of Juanita Rebekah Lodge 477 met Thursday evening at the IOOF Hall with Mrs. Beulah Harrigan presiding. Mrs. Lottie Schermer, chaplain, led the prayer, and a business session followed.

In games, prizes were awarded to 14 members by the hostess, Mrs. Patterson, Mrs. Annala Jung and Mrs. Porcetta.

WCTU Outdoor Meeting; Picnic

The annual outdoor meeting and picnic of the Women's Christian Temperance Union was held Friday evening at Wilson Park. Mrs. Luther Turnbull, spiritual life secretary gave the invocation and Rev. E. V. Campbell, assistant pastor at Niedringhaus Memorial Methodist Church, gave the devotion from the Book of Habakkuk, closing with the poem "The Evil of Drink."

After the picnic supper, Mrs. William Schooley, president, conducted the business session during which reports of the various officers and secretaries were heard and a special offering was taken for Armed Forces work and Veterans hospitals. Mrs. Esther Cann is Armed Services secretary.

The program consisted of two chapters from the study book "Today's Deceiver," given by Miss Ellen Fulmer. Rev. Campbell again closed the meeting with prayer.

Attending were seventeen members, four guests and one honorary member, Rev. Campbell.

SOCIETY Miss Cynthia Ann Welcelean, Rev. Russell Oden Are Wed. Shower Honors Mrs. Harsh Jr.

One of the loveliest of parties given for brides this summer was the miscellaneous shower honoring Mrs. John Harsh Jr., 4024 Maryville road, Thursday evening in the Fellowship Hall of St. Peter United Church of Christ, 21st street and Cleveland blvd. The hostesses, all aunts of the bridegroom, were Mrs. Hayes Mallory of Edwardsville, Mrs. Charles Niepert of Troy, Mrs. E. William Niepert and Mrs. Dorothy Niepert.

The bride's table was centered with a wedding cake on a musical ceramic plate topped with a miniature bride and groom, and the smaller tables at which the guests were seated held pink roses in bud vases. The favors were small white handmade ceramic bells tied with pink and white ribbons decorated in pink and green and bearing the names "Jack and Jeanne," all the handwork of one of the hostesses, Mrs. Charles Niepert.

Games were enjoyed after the gift packages were opened and a number of prizes were awarded. Refreshments were served to about 70 guests, among them from Belleville, Alton, Godfrey, Bethalto and Edwardsville.

Historical Talk Given On St. John Church Guild

A highlight of the meeting of the Afternoon Guild of St. John United Church of Christ, which this year is observing its 85th anniversary, was a talk by Miss Louise Dehmer, whose father was a former pastor of the church, on the history of the guild and a resume of its activities throughout the years.

Miss Louise Dehmer, mother of the speaker and one of the older members of the church, was especially honored and presented with a gift, as was Mrs. Clara Harbig, who has attained the age of 75 and has become a member of the "Golden Age" group. There also were gifts for the past presidents attending, including Mesdames Kathryn Roman, Grace Branding, Genevieve SalCom, Emma Zelisko, George Engelke, Clara Huber, Myrtle Landwehrmeier, Alina Beckmann, Harbig and Mrs. Georgia Surbey, wife of the pastor. As the gifts were presented, Mrs. Kathryn Edmonds sang "Memories."

Devotions were led by Mrs. Harbig. The topic was "What Is Prayer and How To Pray."

Mrs. Alycia Seipel, president, conducted the business discussion during which plans were made to serve a banquet for the Chamber of Commerce Sept. 19.

Mrs. Louise Dehmer reported on the talk conference which she attended at Elmhurst College recently. After the purchase of refreshments were served to approximately 70, including 30 guests. Mrs. Mabel Reynolds and Mrs. Hazel Brink.

WHAT IS AN OTOLOGIST?

Answer — A physician who specializes in the diagnosis and treatment of diseases of the ear. Most physicians agree that it may be dangerous to use self treatments for any ear problem. Sometimes your family physicians will advise you to consult an Otolologist, if your condition is complicated.

Most prescriptions for the ear are specially compounded under aseptic conditions requiring pharmaceutical skill.

Social Planning Council To Aid Two Patients

Aid applications for cobalt treatments for a cancer patient and for a diagnostic heart examination were approved by the Social Planning Council of the Tri-Cities Area United Fund, according to council chairman Arthur Roseman. In other action, seven months' expenditure of \$3700 was announced.

The Social Planning Council is an agency dispensing aid from the Health Services Fund, a United Fund supported agency which was created to assist medically-indigent patients referred to it by member agencies and others in the area.

Since Jan. 1 \$3700 has been spent from the agency's \$7200 allotment, it was announced. Expenditures, to aid patients with 12 different diseases, have been cancer \$1468, cystic fibrosis \$433, gall bladder \$347, heart \$235, polio \$85, mental illness \$181, myasthenia gravis \$350, multiple sclerosis \$171, pulmonary \$149, prevention of blindness \$30, aphasia \$432 and general \$6.

Routine City Agenda; Picketing Continues

A routine agenda has been prepared for tonight's meeting of the Granite City council which goes into session at 8 o'clock, it was announced at the mayor's office. However, council members again will be greeted at the city hall by youthful pickets—grandchildren of discharged sanitation department employees.

Arthur Crouch, assistant business agent for Teamsters Local 625 which represents the former city workers, said it is unlikely any additional petitions will be submitted to the council this evening although about 700 additional signers are requesting the city to reinstate the department.

He said the union's appeal to the state Supreme Court has not yet been docketed, but it is hoped the hearing will be scheduled during the court's September session. The union is appealing a ruling handed down in June in the circuit court at Edwardsville denying an injunction. The union contends its contract with the city covering sanitation department employees is binding and wants that point clarified by the high court.

The agenda for tonight's meeting lists routine reports from council committees along with financial reports for the Nimesco sanitary sewer system and two requests for excavations by Illinois Power Co. for the 2800 block of Victory drive and 2700 block of Roosevelt street.

YEARS

The following items were taken from the files of the Granite City Press-Record.

The Granite City controller began mailing out letters last week to 300 of an estimated 650 businesses and industries in compliance with occupation tax ordinances recently passed by the city council. Mayor M. E. Kirkpatrick said the tax revenue is vital to operation of the city's various departments.

Dormitory guests at the YMCA were routed out of their beds at 3:50 a.m. Sunday by a roof and storage room fire which caused \$500 damage to the building before being extinguished by firemen. The fire was believed caused by a cigarette dropped on the roof. The "Y" roof section was being used by dormitory residents to cool off during the hot night.

It was announced in the Quad-Cities that the tax levy for the East Side Levee and Sanitary District would jump 30% over that in 1956 to \$272,000. The district's \$100 assessed property valuation. The increase was said due to a rise of \$280,200 in the budget to a \$874,745 figure for 1957.

R. H. Lerner was re-elected president of the Granite City library board at a reorganization meeting Friday night. Byron Haven was chosen vice president. Mrs. Olive B. Stalings, secretary; David J. Horan, John Kirkhoff and J. J. Horan, board members. The group discussed plans for an "Illinois Library Day" to be held in November.

A reporter found a rare hedge at St. Elizabeth's Church in a bush called a high bush holly. It was said to be a solid mass of brilliant red berries. The bush was identified by Ernest Sieveking, superintendent of Wilson Park, who said it was the first time in 13 years it had borne the current-like fruit.

An expenditure of \$800 was authorized at a meeting of Supervisor Louis Roman with the town board of supervisors for the purpose of purchasing material to be made into clothes for school children on relief by team of W.P.A. workers. Guy Pitchford, relief officer manager, reported the relief dropped by eight cases to a total of 417 families during the month of July.

A half-day holiday is to be declared Wednesday in the Quad-Cities to honor the Associated Retailers and others for the annual Merchants' Day to be held in Wilson Park. A total of 15,000 persons are expected to attend the third annual picnic. S. E. Pershall, chairman of the picnic committee, announced prizes would be awarded to what can be printed in a newspaper, will appear in special short story.

A delegation of the women's auxiliary of Post No. 1300 of the F.W. visited the Eastern Border Veterans Hospital and presented a program for the invalid war veterans. Chairman of the delegation was Mrs. James Todd and Mrs. Russell Long.

"SERMON ON MOUNT" FILLS SPIRITUAL NEED
The writing of "Sermon on the Mount" in Thursday's July 28, Press-Record was very fine. This should be only a start to what can be printed in our paper. This is the kind of article we need to see more of in our newspapers, in these troubled times.

Almost anything else people today look at is nothing but evil, so it is now high time that people read more of God's Holy word. Through this means they will see it in their papers.

I don't know how the public in general feels about this article, but I liked it; these are the things that our children need to know so as to learn about the world and thus be able to reject the ways of Communism that will find them in the near future.

I hope that the people of Granite City will continue to see such articles from the Bible in each and every issue of the Press-Record.

COUNCIL SHOULD NOT IGNORE PETITIONS
To the Editor:

At the July 23 city council meeting, Walter Noon said that 700 signatures on petitions should be placed on the agenda. He also said the council and not the public has authority to decide the issue.

Taxpayers, and especially people in Nonn's ward, remember this at election time. The council is supposed to represent the people of their wards. But to ignore petitions and ignore the right to petition is to ignore the people's voice. Remember, some of those signatures had to be given to the ward. Don't those people have a voice? For this reason, I urge the council to get the member also when the council

A group of Granite City residents prepared to go to the Quad-Cities for the opening show of the Municipal Opera production, "Robin Hood," the musical American comic opera. Included in the group were Mrs. Harry Hornerberg, Miss Helen Amling, Mr. and Mrs. Henry Karandjef and Mr. and Mrs. J. A. Lang.

The WCTU held a meeting and picnic supper last Friday night at the Westminster Memorial Church. In attendance were Mrs. C. W. F. King, Mrs. Roy Koat, Mrs. and Mrs. E. A. McFarland and Mrs. William Schooley, who presided during the business meeting.

Mrs. Jesse Tapp Thursday afternoon was hostess to the Women's Missionary Society of the First Christian Church at her home, 2227 E. Main avenue. Those present were Mrs. Austin Henry, president of the society; Mrs. A. B. Goble, Mrs. Roy Koat, Mrs. C. M. Bramley and Mrs. Ira Butler.

The new sodium vapor lighting system on McKinley Bridge installed by the R. E. and J. Co. of Granite City was officially dedicated Friday night. The bridge has the distinction of being the second largest in the United States with a sodium vapor lighting system.

The Wagner Beers' baseball team was hostess to a "Puff" buffet in the game yesterday, pointing out an "Illinois Library Day" to be held in November. The team was composed of 13 players against Collinsville's 4.

Mrs. Orlean Padgett was hostess to the Etinarg club at the White Pig Inn last week. Mrs. Joseph E. Mann, Mrs. Henry Karandjef and Mrs. Harry Costello won prizes and also attending were Mrs. J. A. Lang, Mrs. A. M. Jennings and Mrs. J. Stark.

The city council of Venice, although going ahead with plans to build a \$3000 library, might pass an ordinance to lower the tax levy for 1957 from \$280.00 to \$274.75. The finance committee said the reduction was made possible by miscellaneous receipts collected last year totaling \$5740.

Mrs. Charity Williams of Third street held a meeting of the Wishnu Bridge Club at her home Thursday night. Honors in bridge were given to Mrs. Harry Schooley, Mrs. Percy Lux, Mrs. Williams and Mrs. T. C. Richardson.

A section of Madison in the 2% on tax collected with out lights Friday night after 10 p.m. after a notice was given to the city. Ewing avenue and wires were pulled down for two blocks. A company was called and soon had everything cut loose to eliminate the danger to innocent persons being electrocuted.

The Dorcas Club of the Westminster Memorial Church installed new officers Thursday night in the regular meeting at the home of Miss Mildred Brown with Rev. Roy N. Keen conducting an impressive service.

CITY TAXES REFUSED DURING LUNCH HOUR
To the Editor:

Does Granite City really want the 2% on tax collected on Granite City real estate? Were they just looking for a way to make the taxpayers to pay their taxes at the city hall so the city could collect it?

On Monday, July 30, I went to the city hall to pay my taxes. As I started to pay, the collector to the collector's office, a young lady pushed the door open in my face and said, "Sorry, we are closed for lunch."

I stood there for a moment or two, quite believing what I had just heard. She asked if I had a check made out, I said, "No, I have only cash." She replied, "I'm sorry, but we cannot help you until after lunch." I said, "Forget it. I'll pay my taxes in Edwardsville."

I have been a taxpayer for 34 years, but from how on you can bet I will pay my taxes in Edwardsville.

Riverfront Road Moving Nearer, Should Be Completed Promptly

Right-of-way acquisition is a hopeful sign for Federal Aid Route 151, the riverfront road sought for many years. We hope the Illinois Division of Highways proceeds rapidly with land purchases and hearings so that construction contracts can be awarded without further delay.

The roadway is moving nearer reality each day with progress on related projects, such as the overpass which will carry Interstate Route 270 over Route 151 north of the Quad-Cities. The riverfront road itself has now advanced to a point south of the Hartford canal, where new bridges are in use. But the route is badly needed in the Quad-City area, and nothing short of the actual construction will fill the bill.

Advantages which have been apparent for some time are the diversion of Route 67a through traffic from downtown streets, easing local vehicular congestion, and the convenient links with Granite City, Madison and Venice, which will be safer and faster route for many trips to points within the local community and elsewhere. An added dividend is the favorable effect Route 151 will have on the development of the Port of Granite City and nearby industrial sites.

Delving into the past, as we have been doing this summer, can be a fascinating and rewarding experience. We hope that the same feeling will be conveyed to those reading the Sept. 4 county sesquicentennial edition, for which the initial page plates currently are being cast by the Press-Record.

Madison county has a unique history, one that is sure to hold surprises for all but the most active historians. Both the Quad-Cities and county date back to the era before Illinois became a state, and the county itself had boundaries which embraced far more territory than was later taken in by Illinois.

Even more striking are the contrasts in outlook and activities between this community's early settlers and its present residents. Some of the historical material almost sounds like it deals with entirely different cities; yet, interwoven through it are local landmarks and the names of families well known to this day.

It is said that familiarity with the past is essential to wise consideration of the future. The Press-Record, together with the Alton and Edwardsville newspapers, will attempt early next month to bring to life the 150-year span being commemorated by Madison county.

School Ensemble Winning Many Friends For Nation, Quad-Cities

We suspected from the start that this would be the result, but it is heartwarming to learn of the joyful reception accorded the local school music ensemble during early stages of its tour of Mexico.

The students' conduct—and their renditions of American music and authentic Latin rhythms—are winning many friends in the land of the siesta and enchilada, the country of ancient silver mines and ultra-modern cities.

The mayor is retreating after he has fulfilled his aim? To bring it to a vote? To what? Is his aim? Did you ever hear the slogan, "Hurrah, for me and the h--- with you?"

The people have the right and privilege to vote on the garbage disposal contract the same as they did on city management. Or do we have a dictator at the head of our city government? Aren't the Illinois residents who work in St. Louis getting enough by city and state earnings tax? It seems odd, our mayor would not have had \$147,000 from a St. Louis firm.

FAST RECOVERY OF STOLEN BICYCLE

I would like to express my thanks publicly to the Granite City Police Department for the recovery of my stolen bicycle less than twenty-four hours after it had been reported stolen. Ingram, 47, of Granite City, were involved in a highway accident at 7 a.m. Friday at the intersection of U.S. Bypass 66 and 40th and Route 111. State police said Ingram was going south on Highway 111 and attempting to turn onto Bypass 66-40. Jolly was traveling north on Route 111. There were no injuries.

Urgent Need For County Zoning Justifies Approval This Year

The obvious and urgent need for adoption of Madison county zoning is leading to a concerted movement for action this year. Evidence of growing public interest in prompt approval is afforded by the delegation which visited the County Board of Supervisors last month and the plans for attendance at the Aug. 15 County Board meeting by the Madison County Citizens Planning Committee and other zoning advocates.

It has become apparent that reviews of zoning facts are never going to convince the few foes, some of whom have used misinformation and half-truths to confuse and frighten farmers and other county residents.

In view of their tactics, it no longer seems helpful to present detailed, reasonable explanations in response to the "aginners' queries, for they have heard the explanations and answers many times before; the questions are only brought up to confuse and mislead audiences at hearings being conducted in each township.

The hearings are required by law, though we doubt the lawmakers expected that the purpose would be so distorted by a small band of dissidents. With 18 hearings completed, the remaining six should be conducted as quickly and simply as possible. Then, the Zoning Commission can submit its recommendations and the County Board can take action, not on false issues developed at the hearings but on actual issues and how they affect the future welfare of all county residents, not just those at the hearings.

It has been brought out at the hearings that no major defects exist in the tentative ordinance and proposed zoning districts, so they have served some useful purpose. The Zoning Commission has shown common sense and wisdom to alter both the zoning values and to improve the values through expansion of the county's economy, including attracting new industries.

No matter what has been said or will be said in the coming weeks, one fact remains unchanged—zoning controls are needed in Madison county's unincorporated areas to protect present property values and to improve the values through expansion of the county's economy, including attracting new industries.

From the standpoint of more jobs and greater sharing of the tax burden, zoning is directly related to the economic well-being of Madison county family, in both the urban and rural areas.

Area Receiving Wide Attention As Link In Nationwide Company

Granite City is mentioned frequently and favorably in a new Royal Crown Cola booklet, dealing with the soft drink industry, which is currently receiving national distribution. Though it is not possible to know how much tangible gain will result from such comment, it illustrates the value of the area, as well as locally-owned industries in the Quad-Cities.

One of only two combination beverage canning and concentrate manufacturing plants, the local industry figures prominently in the plans of the 57-year-old firm, which exports products to the nation and has substantial foreign operations.

With this in mind, it is of interest that RC Cola President W. H. Glenn has just repeated a prediction made early this year. Anticipated 1962 increases of 10% in sales and 20% in earnings would not only be met but exceeded, he reported in an address this summer to an investment analysts' gathering.

No person is intolerant who remains loyal to his, or her, religion, regardless of whether other people like it or not.

Area Auto-Injury Rate Down Slightly

There were 1653. There were 1657 mishaps in 1957, 1625 in 1958, 1592 in 1959, 1592 in 1960, 1592 in 1961, 1592 in 1962. In 1958, at the present monthly rate, the total would be 1596.

The Quad-City fatality toll rose to 34 with one July death. Mary Ann Davidson, 20, of Granite City, was killed when the auto in which she was riding struck a barricade and bursted, excavating a portion of Bypass 66 at the point where Interstate 270 will cross Highway 111.

At the current rate, fatalities would total 24 at the end of the month. In 1961, the total was 24. The current traffic death rate was exceeded in the first seven months of 1961, 1959, 1957, 1956, 1954, and 1953.

Sesquicentennial Show To Be Cast On Friday

Parts will be cast Friday for the historical pageant during the Sesquicentennial celebration. The pageant will be presented from Sept. 30 through Sept. 15, a different play each night.

About 300 persons will take part. Persons interested in performing either individually or in groups should attend the casting at 7:30 p.m. at Edwardsville high school or call Miss Dorothy Egan at 2905 Chapin place in Alton. She is chairman of the show committee.

On numerous individual roles, there will be many parts for pioneers and Indians. There should also be two teams of horses and numerous horseback riders.

THE ASTOR SPEAKS

REV. VERNIE BARNETT, Niederrhain Methodist Church

I have just been reading a novel of nineteenth century Russian social life. Much of their time was taken up in appearing proud. Family life was right and understanding from all outward appearances but, actually, many secret love affairs were going on.

It was allowable to be sinful in private, if one appeared correct in public.

This is in contrast to the approach of Jesus. Jesus lived the way He thought. His inner life and the outward appearances were the same.

One of the marks of Christianity is that it demands heart purity of its adherents. What one is in private, is what one is in public.

It is God's opinion of us that tells the truth about ourselves. The good opinion of others is desirable, but not necessary, the good opinion of God is necessary.

Granite City Totals July Traffic Accidents Below Predicted Figure

Traffic accidents in Granite City fell short of the police department's prediction July 22 according to the records office. The 72 accidents dropped 11 below the predicted 83. In 22 of the crashes, 35 persons were injured.

Twenty-eight of the injured were occupants of motor vehicles, four were pedestrians and three were bicyclists.

Madison avenue, as usual, led as the thoroughfare where most accidents occurred. It was the scene of 22, 22-1/2% of all accidents in the city, police said.

The worst day of the week for accidents was Saturday and the worst one-hour period was from 2:30 p.m. to 3:30 p.m. Normally, Friday is the peak time for accidents here.

Accidents in July were five less than the previous month. There have been 382 accidents in Granite City so far this year involving 173 injuries and two fatalities.

County Delays Action On 3 Area Taverns

Action on three Quad-City taverns for a license to open Thursday by the Madison County liquor commission, meeting in Edwardsville.

No final action was taken on the application of Wilson Delaney for a license to open the 11 Sportmen's club on Rural Route One. The license of a former Sportmen's club, the George's Place, was revoked in June 1961. The state liquor commission set aside the revocation but it was later upheld in county circuit court. Under the circuit court order, the premises cannot be reopened for a year. The year will be in November. The building is located on Route 111.

Action was deferred for a week on the case of the Edwardsville Tavern also on Route 111. The licensee, Mrs. Marie Potts, was fined \$118 for failing to keep open after legal closing hours. Action on possible revocation was suspended pending a report from the office of the state's attorney as to whether or not there have been previous violations.

Also deferred for a week was an application of Lula Hunter to renew the Wagon Wheel tavern in Eagle Park Acres. The commission would be taking action against the applicant but before the full \$300 annual license would be paid. A former owner continued to operate in 1962 without renewing his license.

A license was granted to Theodore Burnett to operate a tavern known as Ted's Barbecue in Coffeyville. Betty L. Hunter was granted a license to operate a tavern near Collinsville, known as The Office.

Office of The Mayor
CITY OF GRANITE CITY, ILLINOIS

To the People of Granite City:

Because it has been brought to my attention that there has been some misunderstanding among the residents of our City as to the why and wherefore concerning the recent change to a private concern for the collection and disposal of the City's garbage and tin cans, I would like to take this opportunity to set forth the City's reasons for this change.

The problem of cost of collection of garbage and tin cans in our City has been contemplated for some time. One of the proposals of the Southern Illinois University Reorganization and Operations Study was that "a study should be made to see whether the return to a contract operation of the refuse collection and disposal program would be more economical." Because of numerous complaints regarding the work habits, the efficiency, and the economy of the City's Sanitation Department, several months ago an investigation of procedures and a test run of that department were made. The results of the investigation clearly indicated that a long and serious look should be taken into the operations of the Sanitation Department and that some changes should be made. I advised the Council of the situation and was authorized to obtain proposals from private collectors to contract the job of refuse collection and disposal. Proposals were received from various collectors and a contract was entered into with the low bidder. This action was approved by the Council on May 21, 1962.

The decision to make this change was not an easy one. It is always difficult to make a decision which will abolish men's jobs, and the decision to enter into a private contract was reached only after investigation, test runs, proposals, and ultimate economic savings to the taxpayers were studied and weighed against the loss of jobs. The regret over the loss of jobs was alleviated by the offer of the private collector to give preference in employment to the members of the City's Sanitation Department.

In keeping with his agreement, the private collector kept his office open until the last possible minute to afford our Sanitation Department members an opportunity to complete applications for work with him. However, whether due to personal reasons or the advice of their business agent, the members of the Sanitation Department did not see fit to apply for employment with United Disposal Corporation. Whatever the reasons, work and jobs were waiting for Sanitation Department employees. The private collector employs union labor, and the Sanitation Department workers only had to transfer their union cards to the St. Louis local.

Perhaps the employees felt that theirs was a lifetime job. However, unless prescribed by law, no employee working for a municipality can expect a lifetime job. In reality, the members of the Sanitation Department were not personally hired by the City. They were, in fact, sent from the Union Hall to do a job as the custom and job placement. The majority of these men have belonged to the Teamsters and Chauffeurs Union for many years and have worked in the Sanitation Department only a short number of years in comparison. During the years that they were not employed by the City Sanitation Department, they worked on various and numerous jobs to which they were sent from the Union Hall. When a job was completed, they returned to the Hall for another assignment. In past instances, they did not picket when a job was completed or abolished as is the case today. In the present case their job is finished. They should be able to return to the Union Hall for re-assignment. Their business agent has failed to find these men new employment, or perhaps, he believes that the City is obligated to keep men until retirement age and does not intend to find other jobs for them. It is not the City's responsibility to re-locate these men on other jobs, but the City has made a greater effort to have these men re-employed by the private contractor than the business agent of the local of which they are members. Unemployment is not new in this area. Recently Granite City Steel Company announced lay-offs and salary cuts. The employees affected by these cutbacks, however, neither picketed nor paraded their children in an effort to embarrass their former employer.

Letting the contract for the collection of garbage and tin cans to a private concern is justified by the dollars and cents saving to the City and to the taxpayers. A private collector will save the City the basic figure of \$22,000 per year. In addition, a savings of any salary increases, additional social security payments, and pension contributions during the next three years would be made. Moreover, the Sanitation Department's four trucks would have to be replaced during the next three years at a cost of \$8,000-\$9,000 per truck. In addition, the housing of city equipment had reached the saturation point. Two years ago, the City considered the purchase of necessary property to house the equipment at a cost of \$90,000-\$100,000. I delayed this move at the time in an effort to hold off as long as possible an expenditure of this kind of money. A continuation of the City's operation of the Sanitation Department would have resulted in the purchase of this additional property for vehicular housing. Therefore the estimated savings projected over the next three years would amount to approximately \$200,000. This great saving, considered with the fact the employment would be offered to the former Sanitation Department members, was a course of action to be followed which left no other feasible alternative.

Again, I say to the people of Granite City, this move was taken after great consideration in an effort to give you—the taxpayers—more efficient and economical sanitation service for your tax dollar. This action was based on greater economy and efficiency and was not merely a means to abolish jobs. For those who sought work, work was available.

Very truly yours,
s/Leonard R. Davis

County Sets Specifications For Meadowlane Subdivision

State approval of a sewage lagoon and proof of either an acceptance by a drainage district for the overflow or a ruling that such an agreement is not required have been requested from A. R. Cooper, developer of Meadowlane subdivision near Mitchell, by the county's subdivision control committee.

Alton W. May, committee chairman, notified Cooper Friday of the committee's requirements and stated, "Upon submission of these items and conditions and adherence to the rules and regulations covering plats and subdivisions, this committee will give its approval of your subdivision."

Cooper is planning to develop the subdivision with 62 three- and four-bedroom, aluminum sided homes and because of soil conditions has prepared for a sewage lagoon rather than septic tanks. He is planning to place the lagoon overflow to go into a ditch of the Chouteau, Nameoki and Venice Levee and Drainage

District and empty into the Hartford diversion canal.

"If necessary," Cooper said, "a sewer district will be set up for the subdivision with fees to be paid to cover maintenance and operational costs. Fees also could be paid to the drainage district for operation of its pumps."

The design of the lagoon is nearing completion since its location was altered to eliminate the overflow into Little Lake. "We'll submit it to the state Sanitary Water board for approval," Cooper added.

To further comply with the county committee's requirements, Cooper said he is gathering legal documents to show agreements for easements to run sewage lines to the lagoon and proof of ownership of the property where the lagoon is to be located.

The new subdivision will be a half-mile north of Mitchell on the eastside of Route 3. The lagoon is to be on the west side of the roadway.

Beekeeper Answers Plea—But No Honey

A greatly upset Madison woman called police yesterday afternoon and complained there was a "hive of bees" swarming on her front door. She said she needed help.

Police called Donald Carbaugh, 2004 West, 20th street, who keeps bees in his back yard and knows how to handle the venomous little creatures. Carbaugh was happy to answer the plea, hoping to fill an empty hive of his own.

But when got to the scene, he found not bees but red wasps. "I don't know whether she didn't know the difference," Carbaugh said. "or just didn't get close enough to find out. No honey from those bees, but anyway I got rid of them for her."

Driver Posts Cash Bail

William R. Wood, 33, of 2945 Dewey avenue, was issued an arrest ticket Sunday for failing to stop for a blinking red traffic light. Police said he was going west on 23rd street at 540th and was involved in a collision with a southbound auto at the intersection of Madison avenue. The other driver was Helen C. Smith, 51, of 3217 Carlson avenue. No one was injured. Wood posted \$15 cash bail.

Traffic Accident

Vasil J. Vangel, 18, 1750 Maple, was involved in a minor accident at 3:45 p.m. Sunday on 21st street at Madison avenue. Police said he had stopped for oncoming traffic and his auto was struck from the rear. The second auto was driven by Ernest Zimmerman, 22, of 1633 Delmar.

Stranded Family Aided By Local Benefactors

A family of eight, found destitute without a cent in Granite City Friday night was given a helping hand by sympathetic residents. Granite City police found a man and wife and their six children, ranging in age from four to 12 years in their auto parked in the 2900 block of Washington avenue at 9 p.m.

The auto was out of gas and the family had not eaten since morning.

They were enroute from Michigan to Searcy, Ark., where the man has relatives. He is due to enter the veterans' hospital at Little Rock as soon as his wife and children are settled.

Since leaving Michigan last Monday the family had been sleeping in the auto at the roadside. Because of the hour, it was not possible to find immediate help for the family from local charitable organizations. The Rev. R. D. Beatty of the First Church of the Nazarene arranged for his church to fill the gas tank and feed the family.

The Grand Cafe of Granite City gave a large lunch to eat on the road and the Madison Amvets contributed \$20 for gasoline. The church offered to put the people up for the night but they preferred to leave immediately to take advantage of the cooler night driving. The family could only be identified by its benefactors by the last name—King.

CHURCH DRESS WINNERS In the 4-H Club contests of the Madison county fair include three from the local Tri-H Club. In the front row (right) is Diana Todlock, who placed third, and in the back row (left) is Sandra Carlie, who placed fifth and (right) Sandra Kelly, who placed third.

Local VFW Ritual Team To Perform Across State

In their capacity as official state ritual team of Veterans of Foreign Wars, members of the Granite City Post, Henry Osterborg Post 1300 ritual team will hold installation ceremonies for new VFW members and will demonstrate ritual for other post teams. Their duties will be statewide.

Although the local post has had a ritual team for several years, this is the first time the local team ever was chosen for the state honor, Charles Schneck, captain and senior vice-commander of the team, says.

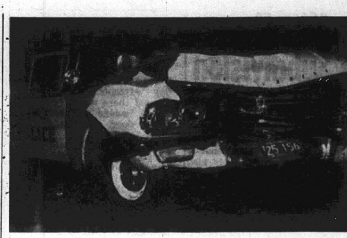

MRS. MARY BARKO
Mrs. Mary Barko Dies;
GC Resident 41 Years

Mrs. Mary Barko, 60, a Gold Star Mother, died of cancer at 11:35 p.m. Saturday at St. Elizabeth Hospital where she had been a patient two weeks. She had been ill about 18 months. Her home was 1747 Chestnut street.

A native of Hungary, the former Mary Horhauser, arrived in Granite City 41 years ago. She was a member of St. Joseph's Catholic Church and the William Penn fraternal association. She formerly had been employed at Nesco Steel Barrel Co. for over ten years.

She is survived by her husband, Andy; a daughter, Mrs. Robert, Steve Horhauser, Granite City; a sister, Mrs. John (Elizabeth) Clement, Granite City; a brother, Steve Horhauser, Granite City; and two grandchildren, Andy Jr., who was killed in world war II.

VENICE POLICE CAR, which was damaged Saturday when the driver lost control while trying to subdue an unruly prisoner. Two Venice police officers, George Rhodes and Morris Scott, were injured in the collision of the squad car with another auto. The city council recently approved plans to trade the police department's two 1961 model autos for new ones, but the transaction has been delayed by unavailability of desired 1962 models.

Further information is given in today's obituary column.

Arrest St. Louisian
Raymond W. Britton Jr., St. Louis, was arrested by Venice police at 8:30 a.m. Friday at the request of St. Louis authorities and charged with leaving the scene of an accident. He was released to custody of St. Louis police.

Charged With Speeding
Ivory J. Reed, 31, of 1128 Logan street, Venice, was arrested at 1 p.m. yesterday on Klein street in Venice for speeding. He was released on \$10 cash bail.

Bethel, Niedringhaus
Community Meets. Win
Park district Church league slow-pitch softball action was rained out Saturday evening, but the previous night Community Heights and Bethel Community easily downed opponents and Madison Baptist, the league champion, ran into a player shortage situation of which Niedringhaus Methodist took advantage.
Madison Baptist dropped its first game of the season Friday night, but not on the playing field. Unable to field a full team, the league-leaders were forced to forfeit to Niedringhaus Methodist.

Thirteen players went to the plate for Community Heights in the first inning of its contest with Good Shepherd, and 10 runs scored to give Community a good edge. Before it was over the winners had 34 hits in a 25-4 win over Good Shepherd.

Bethel Community bunched all its scoring in two innings to defeat Cedar View Baptist 10-1 in the third game. The winners got four in the fourth and six in the fifth. Everett Wright's homer in the third accounted for Cedar View's only run.

PRODUCTION LINE MACHINERY at the A. O. Smith Corp. plant here is modified to accommodate changes necessitated by switch to 1963 model auto frames. A workman fastens a line to raise heavy steel rail into position.

Dairy-Teamsters Contract Negotiations Continue

Contract negotiations are to be resumed next Monday between Teamsters Local 525 and Dressel-Young Dairy. Progress was reported during a session Thursday afternoon.

Contracts expired July 31 for about 25 truck drivers and 30 dairy plant employees, and the new agreement for the plant workers is being considered at present with the drivers' contract to be negotiated later.

Smith Firm Produces 65th Million Frame

The local A. O. Smith Corp. plant in the seven years of its existence has contributed its share toward an achievement announced today by the corporation with the production of its 65th million passenger automobile frame since it started deliveries to the old Peerless Motor Co. in 1902.

The firm operates two auto frame manufacturing plants — here and at Milwaukee, where the company headquarters are located.

Over 4½ million frames have been produced at the local plant, which now is in the process of changing its production lines to fit the design for 1963 model automobiles.

Production at the local plant is expected to be resumed in two weeks.

The firm got its start in 1899 through pioneering the first tubular steel frames for bicycles, and within a few years, the founder, Arthur O. Smith switched to frames for the horseless carriage. The third generation of the family, L. B. Smith, now heads the company.

Ronald Clare Gives 68th Pint Of Blood

Ronald Clare, 2137 State street, stock man at Hub Drug store, who has a goal to give 75 pints of blood, donated his 68th Friday at St. Elizabeth Hospital.

Clare began donating blood in 1937 and the donation on Friday was for a new mother needing blood.

SERVING RURAL ILLINOIS

Electricity keeps Mrs. Cow contented

—and brings better
living to the dairy farmer

Electricity pampers Mrs. Cow on the modern Illinois dairy farm. Feeding, milking, cooling and sanitizing all depend on electric power. The result is more milk per cow . . . less drudgery for the dairy farmer.

Electricity . . . in plentiful supply and in low cost . . . not only helps Illinois farmers operate more efficiently as businessmen; it also brings all the conveniences of city living to their families.

Illinois farmers are being well served by investor-owned utilities like Illinois Power. Today every farmer in Illinois Power territory who wants electricity, has it. Illinois Power serves more than 100,000 customers living in rural areas, which is more than twice as many as are served by the rural electric cooperatives in this area.

Keeping rural Illinois supplied with electricity has always been a top priority program of Illinois Power.

ILLINOIS POWER COMPANY

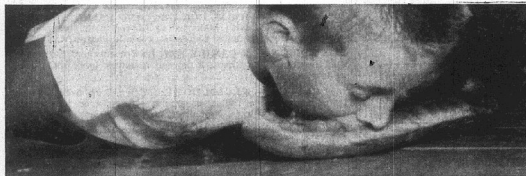

TAMBOURINES, blackface makeup and floppy hats helped the Lincoln Place recreation center put across a minstrel show as its contribution to

park district playground season-ending program at Wilson Park Thursday night. All seven park playgrounds presented skills or musical acts.

SOON TO BE PERFORMERS themselves, Nameoki playground "wooden soldiers" (above) watch the preceding act from behind the outdoor platform. Misfortune befell them on stage when a musical recording to which they were to march was broken. But they did not retreat, performed anyway (below).

WATERMELON EATING CONTEST, with one boy representing each of seven playgrounds, was a highlight of evening. Gene Livingston of Niedringhaus playground demonstrates championship form at he gobbles (top),

gulps and drops (bottom) his way to "first place, then comes onstage wearing juice-soaked shirt and weary expression to accept award. His secret to success, not eating the day of the contest.

Kids Cavort As Park Playgrounds End Another Season

Each August for the past half dozen summers, children who have attended the seven playgrounds supervised by the Granite City park district wind up their activities with a family

picnic and variety show in Wilson Park. Harried playground directors spend weeks rehearsing their second-through-sixth graders for a one-night stand on the park's outdoor stage, and the results, while not always professional,

are always entertaining.

Some 600 parents and friends were in the audience Thursday night as troupes from Nameoki, Marshall, Wilson, McKinley, Lincoln Place community center, Logan and Niedringhaus playgrounds went through their

paces, which included everything from a mini-sized version of the twist to a musical reminder to prevent forest fires.

The evening wound up with the traditional watermelon-eating contest and a musical goodbye from the 20 playground di-

rectors and assistants who were responsible for conducting this summer under the leadership of Mrs. Helen Bjorkman.

The staff had a slightly fatigued look as it bade farewell to the children and their par-

ents, but the vocal closing ended with the optimistic phrase: "See you next year."

Playground leaders, assistants and instructors this summer included Ruth Johnson, Sheila Graham, Norma Schroeder, Walter Whittaker, Karen Bickel,

Linda Toburen, Sherry Reinhardt, Rich Williams, Betty McCauley, Linda Farrow, Jeannette Doty, Pat Mega, Pat Barnes, Elaine Dineff, Sue Walters, Rebecca Glor, Karen Overbeck, Elizabeth Kettler, Fran Lisa, Jack Salich and Pat Dineff.

KITCHEN BAND MEMBERS from McKinley playground hum mightily into homemade instruments in ragtime rendition of "Five Foot Two." The audience joined in a sing-along at invitation of young conductor.

"ALVIN FOR PRESIDENT" was an amusing pantomime presented by Marshall school, mimicked one of popular

chipmunk recordings. The large audience of parents and friends is visible in background.

at Menard in 1960 after serving 13 years for burglary. He was sent back to prison in May this year for alleged parole violations. It is alleged that he moved without permission, failed to report to his parole officer and associated with undesirable persons. Burnett denies the allegations. He claims he was placed under the supervision of the Missouri parole office and allowed to work in St. Louis. He is in custody of the Madison county sheriff, pending the hearing in September. His last known address in Granite City was on Cleveland Blvd.
